

# **KRALOY<sup>®</sup>** *The Fitting Choice*

## **NONMETALLIC FLOOR BOX & ACCESSORIES**

## FB Floor Box

The easy installation of the Kraloy FB floor box saves you time and money. The 6" height will extend above the poured concrete. Once the concrete has hardened, simply cut the floor box level with the finished floor surface to guarantee a trouble-free cover attachment and flush fit.

- Nonmetallic PVC construction.
- $\frac{3}{4}$ " & 1" hubs accept both ENT and PVC conduit.
- Shipped complete with temporary protective cap and dual-purpose reducer plugs to seal and/or re-size hubs.
- Suitable for slab-on-grade or below grade, and wood floor construction.

## FBUDK - Tri-Service Universal Divider Kit

The Tri-Service Universal Divider Kit partitions the round PVC floor box to permit power, communication and/or data cabling in one location and within the same box.

- Installs in round PVC floor boxes with diameters  $4\frac{1}{4}$ " -  $4\frac{3}{4}$ ".
- Kit includes adjustable lower half, riser tube, upper receptacle holder and 4 grommets.
- Field adjustable to fit a minimum 3" depth to a maximum 6" depth.
- Approved to UL standards for use with seven leading brands of nonmetallic floor boxes.
