

Kraloy Back Panel

BP1210CSW | 077862

Back Panels of the appropriate size are available to fit the Kraloy JBox in the 6 x 6 size and larger. KRALOY back panels are made of 14 gauge carbon steel and have a white epoxy powder coat finish. Panels have pre-drilled holes that correspond to the mounting posts in the Kraloy JBox to be easily attached using Pan Head #10 X 1/2" thread forming screws.

APPLICATION / USE

JBXH junction boxes can be used to enclose electrical equipment in non-hazardous locations. Back panels provide a means for mounting devices and equipment in an enclosure without compromising the NEMA rating of the enclosure.

MATERIAL

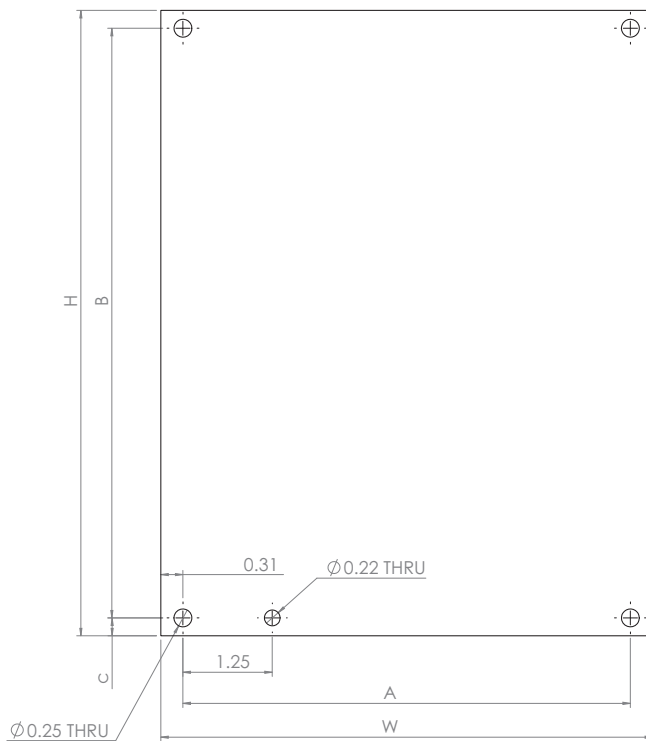

#14 gauge carbon steel,
white epoxy powder coat

FASTENER

Pan Head #10 X 1/2"
thread-forming screw
