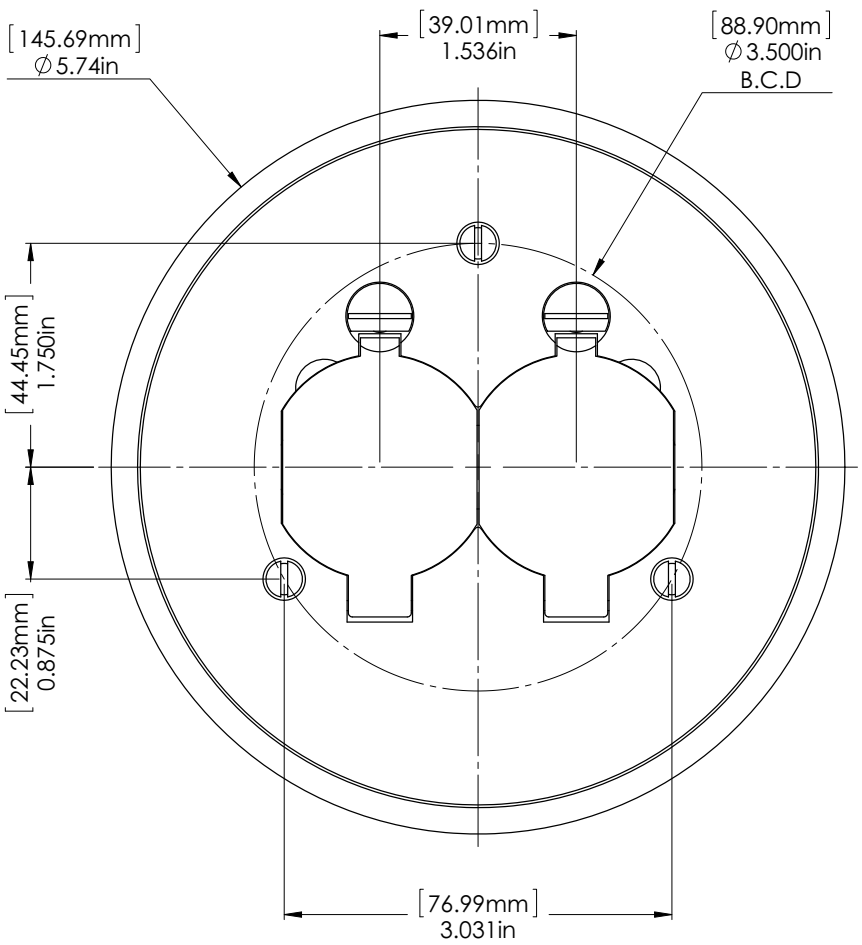
KRALOY®
PVC CONDUIT FITTINGS

Product Data Sheet

Duplex Receptacle Cover with Dual Flip Lid

DFL-2/178096 | DFL-2-N/178279

Round Cover Plates help to protect enclosed power data and communications wiring from daily environmental floor conditions such as mopping (UL scrub water tested) and foot traffic (UL cover loading). The covers feature a light lacquer finish in brass and nickel plated brass for extra strength and durability in high traffic areas.



MATERIAL

- Brass
- Nickel Plated Brass
- Silicone Gasket
- Aluminium Backing Plates
